OVER 40 ARTISTS, SCULPTORS, CREATORS AND MAKERS SHOWING AND SELLING THEIR WORK FROM A CENTRAL HORSHAM LOCATION OVER ONE SPECIAL WEEKEND.
Welcome to the HAOS Contemporary Art Fair 2018

We are delighted to welcome you to our annual Contemporary Art Fair – giving art lovers the opportunity to meet and chat with local artists who are creating, displaying and selling high quality affordable art. We are a unique, diverse and highly inclusive group of both emerging and professional artists working in a wide range of genres including painting, glass work, ceramics, textiles, jewellery and sculpture.

If you are searching for that unique piece of art for your home or maybe office space, you have come to the right place. With a wide range of prices we have art to suit all budgets and environments. For those of you interested in the creation process, we have a series of demonstrations taking place over the two days of the Fair. Details are set out towards the back of the brochure.

After the Fair, keep up to date with other events (such as our annual Art Trail in June) via social media – see below for the links.

Enjoy your time with us and thank you for coming!

Thank you from all the HAOS artists, creators and makers for attending our Contemporary Art Fair and for supporting this event.
DEMONSTRATIONS Saturday 20 October

11.30am • Edith Pargh Barton Painter & Textile Sculptor
’The Anatomy of a Textile Sculpture’ 30 minutes
Many people are curious as to how Edith’s sculptures are made to stand on their own. This demonstration will reveal her process.

12.15pm • Mark Wilson Painter
’From blank canvas to ‘finished’ work’ 30 minutes
Mark will demonstrate his approach to making work. He will deal with basic technique and perhaps more importantly, the issues of confidence and ‘getting started’ that can inhibit would-be artists.

2.00pm • Kezia Noel-Paton Painter
‘Experimenting with Acrylic Flow Painting’ 30 minutes
Free flowing pouring mixtures of different colours intermingle and form abstract shapes; the addition of silicone oil creates little circles or ‘cells’ and the whole slowly moves and changes until it finally sets.

DEMONSTRATIONS Sunday 21 October

11.30am • Lesley Taylor Sculptor
’What the Dickens?’ – the making of the ‘White Horse Hotel’ triptych’ 30 minutes
Lesley will provide an overview of the production of a large commercial three-dimensional boxed sculpture, which was commissioned by the Bespoke Hotel Group. The session will give an overview of the steps involved, from the initial commission, through conception of ideas for the piece – to completion/installation of the work.

12.15pm • Carole Skinner-Rupniak Painter
’A Walk-through Journey from Humble Beginnings’ 40 minutes
A slideshow of unfolding, personal development of a self-taught artist over 35 years, with a devotion for encouraging potential artists who lack confidence, to believe in themselves.

2.00pm • Sue Collins Printmaker
’An Introduction to Lino Printing’ 30 minutes
There are a variety of ways to create lino prints. Sue will show you how to create a one colour print and will talk you through her reduction linocut process. There will be an opportunity to purchase a ‘Beginners Linocut Kit’ at the end of the demonstration.
